| 📍 Koteswor, Kathmandu

PROFILE

Passionate mobile app developer with a solid foundation in full-stack development. Experienced in building cross-platform apps using **React Native**, **Node.js**, and modern databases, focusing on clean UI/UX and real-world problem solving.

EDUCATION

Paschimanchal College <i>Bachelor's in Computer Engineering</i>	Pokhara, Nepal
Little Buddha, Mahendranagar <i>+2 Science</i>	Kanchanpur, Nepal
Adarsh Vidhya Niketan, Mahendranagar <i>Secondary Education Examination (SEE)</i>	Kanchanpur, Nepal

TECHNICAL SKILLS

Languages: JavaScript, Python
Mobile: React Native, Expo CLI
Web: Node.js, React,
Databases: MongoDB, PostgreSQL, Prisma ORM
Tools: Git, GitHub, Postman
Other: Linux, Docker, Mobile UI/UX Design

PROJECTS

DevTinder - Developer Networking App <i>React Native, Node.js, MongoDB</i> <ul style="list-style-type: none">mobile platform for developers to connect and collaborate.Real-time chat and project matching algorithms.Cross-platform app using React Native (Expo) and backend in Node.js.Scalable data storage with MongoDB.	Ongoing
PillReminder - Healthcare App <i>React Native, Node.js, PostgreSQL</i> <ul style="list-style-type: none">Medication reminder app with notifications, dosage tracking, and history.Responsive UI built in React Native (Expo); secure backend in Node.js.Data management with PostgreSQL and Prisma ORM.	Ongoing
HomeSolution- On-Demand Home Service App <i>React Native, Node.js, Geolocation API</i> <ul style="list-style-type: none">Local service booking app with geolocation and real-time tracking.Implemented authentication, booking, and payment features.Clean UI/UX focusing on user experience and accessibility.	Completed
Expense Tracker App <i>React Native, Local Storage, Data Visualization</i> <ul style="list-style-type: none">Personal finance app with expense categorization and budgeting.Charts and graphs for spending insights.Offline-first design with smooth animations and responsive UI.	Completed

ACHIEVEMENTS & CERTIFICATIONS

Academic: Solid foundation in software engineering.
Technical: Proficient in mobile development and backend technologies.
Projects: 3+ apps with full-stack implementation.
Self-Learning: Active in exploring new frameworks and best practices.

ADDITIONAL INFORMATION

Languages: English (Fluent), Nepali (Native), Hindi (Conversational)

Interests: Mobile App Development, UI/UX, Open Source, Tech Community

Availability: Seeking full-time internship; open to remote work and flexible hours.
